وَلَقَدْ يَسَّرْنَا الْقُرْاٰنَ
لِلذِّكْرِ فَهَلْ مِنْ مُّدَّكِرٍ ١٧

And We have indeed made the Qur'an easy
to understand & remember,
then is there any that

PREFACE

All Praise be to Allah, and peace and blessings be upon His messenger, Muhammad ﷺ.

By the grace of Allah Almighty, "Understand Qur'an Academy" has been producing unique and fresh content for Qur'an learners to help them understand the Qur'an in different ways.

The academy is now pleased to introduce this beautiful book (125 Words of the Qur'an). In this book, we have collected 125 of the most frequently occurring words of the Qur'an. Each word is presented with its root letters, translation, transliteration, Qur'anic example, and the number of times it occurs in the Qur'an along with other combinations. The color codes for verbs, nouns and particles are also maintained along with eye-catching natural scenes.

This book is very useful for adults as well as for children. You can use it to memorize or revise the meanings of the Qur'anic words. You can play different games based on translation, identification (verb, noun, or particle), examples from the Qur'an, and the occurrence of the word in different combinations.

The best way to use this book is to study our course, Understand Al-Qur'an and Salah – the Easy Way. The course will help you learn and memorize these words very easily, *in-sha-Allah*.

I would like to thank all those who helped us produce this work. May Allah reward them immensely.

We have tried our very best to compile this book by reviewing and proofreading it many times but should our readers find any mistakes or typos, please alert us so that we can correct these in our future editions.
